

We invite you to become a

Patron

of the 2009 New Zealand Adaptive Snow Sports Festival and Disabled Snowsports National Championships

This Festival would not be possible without the gracious support of Patrons like you. Your generous contribution allows our participants to live the freedom snowsports provides, improve their skills, experience the thrill of racing and enjoy the fun, friendship and competition of this Festival. It ensures that we can provide affordable, exciting and high quality programmes that change lives.

The highlight of our season, the Festival celebrates disability snow sports in New Zealand. This week-long event is packed with activities for the beginner to advanced skier and snowboarder with cognitive, physical and sensory disabilities and their friends, families and supporters.

All Patrons will receive an invitation to join us during the Festival to meet our inspirational skiers and snowboarders and complimentary tickets to celebrate with us at our Festival Awards Dinner. Acknowledgement will be made on our website and in the Festival programme.

Each Patron Level thank you package of added benefits is commensurate with your level of support.

Thank you for considering this request. To become a Patron please get in touch with your Disabled Snowsports contact or phone Libby on 03 443 4085.

We have three Patron Levels
